### Christmas Gift Donations Needed for the Dance!

Our annual **Christmas Dance is Thursday, December 22nd**. Santa's elf Karen is busy gathering gifts so each member can go home with a nice present. If you have any new items that you can donate, please bring them in. We are especially in need of items for our men. With that said, the Dance starts at 11am and includes lunch, games, pictures & dancing!

**Space is limited** so if Thursday is not your regular day, you must call the secretary at 347-5440 to see if you can attend. Once capacity is reached, you will be put on a waiting list & notified by Tuesday, December 20th if you can attend or not. Professional pictures will be taken by our event photographer (& Social Worker) Chris Parks so dress up for this festive occasion. If you would like to donate desserts, please leave a message for Joan at 347-4198 by Friday, December 16th.

### Christmas Food Drive

We will continue collecting canned foods for our Christmas Food Drive that benefits the Anderson Ferry food bank. If you'd like to donate, please drop your items off in the box located inside the front entrance.

### You Matter! Caregiver Meeting

Every Friday at 9:30am for Caregivers to share your needs as caregivers with others who understand. All are welcome! No need to RSVP. If your member does not regularly attend Adult Day on Fridays, you are still welcome to attend these meetings. You can bring in your member and he/she can stay in his/her regular program room from 9:15am to 11am while you attend the caregiver meeting.

### Winter Weather Closing Information

In case of inclement weather, Bayley Adult Day may close for the day. We will submit the closing announcement to the local television stations 5, 9, 12 and 64 and Radio 700WLW. Members & family need to watch those stations or listen to radio 700 for the closing announcement. If you are unable to watch TV or listen to the radio, and you are unsure if we are closed or not, you may call the office number 347-5440 at 7am and listen to the voicemail message. If we are closed it will state the day and the fact that we are closed. Steps, sidewalks & walkways **MUST** be cleared of snow and ice and must be non-slippery in order for transportation drivers to safely transport members. It is up to the driver to determine if he can safely transport & if he feels the situation is too dangerous, he will not transport that day.
