Next Holiday Closing

**Monday, January 16th, 2012 to celebrate
Martin Luther King, Jr. Day!**

Attention CASS Bus Riders

CASS is CLOSED Monday, January 2nd. Bayley Adult Day Program is OPEN Monday, January 2nd. If you normally ride CASS and you still want to attend on the 2nd, then your family must transport you to & from the program. We open at 7:30am and we close at 5:30pm. You must call the secretary at 347-5440 to let her know if you are coming or not on the 2nd by Wednesday, December 28th so we have an accurate count for the lunch. If you have any questions regarding this, please call the secretary. Thank you!

Attention Family Members

Please inform the nurse of any medical or behavior changes that your member is experiencing. This includes any recent hospitalizations, new medications, new conditions, etc. This call to the nurse (347-5441) is in addition to notifying the office (347-5440) of any changes in their schedule which include missed or changed days, transportation changes, etc. Remember to leave a voicemail message if no one answers. Leave your name, your member's name and your return phone number and a brief message. Also- please keep your member home if they are ill so we can do our part not to spread germs.

You Matter! Caregiver Meeting

Every Friday at 9:30am for Caregivers to share your needs as caregivers with others who understand. All are welcome! No need to RSVP. If your member does not regularly attend Adult Day on Fridays, you are still welcome to attend these meetings. You can bring in your member and he/she can stay in his/her regular program room from 9:15am to 11am while you attend the caregiver meeting.

Winter Weather Closing Information

In case of inclement weather, Bayley Adult Day may close for the day. We will submit the closing announcement to the local television stations 5, 9, 12 and 64 and Radio 700WLW. Members & family need to watch those stations or listen to radio 700 for the closing announcement. If you are unable to watch TV or listen to the radio, and you are unsure if we are closed or not, you may call the office number 347-5440 at 7am and listen to the voicemail message. If we are closed it will state the day and the fact that we are closed. Steps, sidewalks & walkways MUST be cleared of snow and ice and must be non-slippery in order for transportation drivers to safely transport members. It is up to the driver to determine if he can safely transport & if he feels the situation is too dangerous, he will not transport that day.
